Howick Local Board relocating

Emergency contacts

Noticed any rats in around park lately?

Community Content Corner

HPRRA COMMUNITY MEETING

We plan to hold the last community meeting of the year at 7:30 PM on Wednesday, November 27th, at Dannemora Gardens, and encourage everyone to participate actively.

2024 CHRISTMAS LIGHTS COMPETITION

The Christmas Lights Competition in our community will be held as scheduled. Please refer to the event flyer or visit our website <https://www.hprra.org/> for more details.

2025 NEIGHBORS DAY

With the generous support and sponsorship of the Howick Local Board, Auckland Transport, and Anna & Bob from Barfoot and Thompson, our Neighbours Day is scheduled to take place on **Sunday, February 16, 2025, from 11:00 AM to 1:00 PM**. There will be free BBQ, drinks, a bouncy castle, and other family activities. More details about the event will be updated around January next year.

BOTANY TOWN CENTRE BUS STATION REOPENING SOON

Eastern Busway are delighted to let you know that the upgraded Botany Town Centre bus station on Town Centre Drive will open on Sunday 17 November. Until then, please continue to use the temporary bus stop outside the Rockshop. You are welcome to convey this information to your local community.

Thank you for your patience during the bus stop upgrade, which is part of the Eastern Busway project.

HOWICK LOCAL BOARD RELOCATING

Howick Local Board staff are set to temporarily move from their office in Aylesbury Street, Pakuranga Town Centre in late November, to explore different office location options. The current meeting room (which will be refurbished) used for the board's business meetings and workshops at 7 Aylesbury Street, Pakuranga - does not change, and the public will continue to be welcome to attend public business meetings and workshops from January 2025.

EMERGENCY CONTACT INFORMATION

Have you noticed abandoned shopping carts in the community? Or seen elderly people living alone who may need assistance? Perhaps you've been disturbed by noise late at night? Or have you noticed theft or suspicious individuals in the neighborhood? Below, we have compiled emergency contact information. If you come across any of these situations, please contact the relevant agencies immediately and seek assistance. Contact is available on our website <https://www.hprra.org/useful-contacts/>

PLEASE BE AWARE RATS HAVE BEEN SIGHTED NEAR THE PARK

Please note that baiting may not be ideal due to many pets in the area; traps could be a better option. The council has been notified but cannot bait public areas. A request for the bin to be removed was denied, as the council states bins are emptied daily. Please ensure food scrap bins are securely closed and manage rubbish properly to deter rats from entering your property.
